BILL NO. HJ 12*The Big Sky Country*

MONTANA HOUSE OF REPRESENTATIVES

Senator Baljeat,

As the sponsor of HJ 12, I'm asking you to cancel the hearing on my resolution tomorrow, and to not schedule a future hearing. The resolution has become obsolete.

I spoke to Speaker Berggren, and he spoke to President Story, and they thought this was the best plan of action.

Thank you.

Rep. Cheryl Steenson
